# St Bernadette's RC Primary School

## School Improvement Priorities 2026 2027

**Objective 1 –** To ensure that Safeguarding arrangements and procedures are effective and staff are confident in identifying, reporting and responding to concerns so that all pupils are safe and happy.

**Objective 2 –** To ensure identification, quality provision and effective assessment for SEND and other vulnerable pupils enabling them to access the full curriculum and achieve well.

**Objective 3 –** To ensure that all pupils access a coherently sequenced and ambitious curriculum that secures strong foundational knowledge and enables pupils to know more, remember more and make good progress.

**Objective 4 –** To improve all pupils attainment and progress in Maths ensuring early number concepts are secure and through adaptive teaching, all pupils are supported and challenged to make good progress.

**Objective 5 –** To further improve attendance and ensure highly effective behaviour routines and systems are embedded consistently across the whole school to support all pupils to succeed with their learning and contribute towards a positive and respectful culture.

**Objective 6 –** To enhance and strengthen the Personal Development programme across school so pupils understand healthy relationships, safety, well-being and fundamental British Values enabling them to make a positive contribution to society as well-rounded individuals.

**Objective 7 –** To ensure consistently high-quality interactions across EYFS that develop children's language, vocabulary, thinking and understanding, while securing the foundational knowledge in early reading, writing and Maths.
