'Wrap up' initiative 2025

Dear Parents and Carers,

As a part of our CARTIAS plans, we are delighted to let you know that our school will be supporting the "Wrap Up Bury" initiative, run by the Rotary Club of Tottington and Bury West, alongside other local Rotary Clubs.

The project collects warm, good-quality coats for adults and children and distributes them through local charities to people in greatest need, including homeless people, refugees, asylum seekers, families in crisis, and those struggling to stay warm this winter.

There is a particular need for children's coats of all ages, but all warm, clean coats in good condition will be greatly appreciated.

How you can help:

- Please send in clean, warm coats (adult or children's) in good condition.
- Place them in the clearly marked "Wrap Up" collection box located in [school entrance / reception / hall – insert location].
- The collection will finish on the last day of term – Friday 24th October

All donations will be taken to a central collection point, sorted, and then distributed via trusted local charities such as children's centres, food banks, homeless charities, and organisations supporting families and the elderly.

This is a wonderful way for our school community to show care and kindness to others, and we thank you for any support you can give.

Please drop any coat donations off at the school office foyer in the donation box.

Thank you for your continued support.

Miss McGrath

Caritas lead
